

Support for Adoptive & Kinship Families

In partnership with Heart Galleries of Texas
and The Heart Gallery of Southeast Texas

Through grant funding from Heart Galleries of Texas, and in partnership with The Heart Gallery of Southeast Texas, we help connect eligible families to services within their community and are able to offer funding to help with these services, so families can connect, have fun, and strengthen their relationships.

How We Can Help

Family Bonding Activities

- Family events and retreats
- Camps and sports
- Arts and cultural activities
- Youth extracurricular activities
- Mentoring and educational enrichment

Wellness & Specialized Activities

- Equine- and animal-assisted activities
- Expressive arts and music
- Mindfulness and nature-based programs
- Adventure programs
- Therapeutic and specialized camps

Respite Care

Parents' night out events and other respite opportunities that give caregivers a chance to rest and recharge.

Basic Needs Support

- Limited, individualized help with food, clothing, and utilities
- Transportation and housing-related costs
- Childcare, school expenses, and safety items

Emergency & Barrier-Reduction Support

- Short-term help with urgent or unexpected needs
- Medical or therapeutic expenses
- Support to help maintain placement or permanency

Services are not limited to these examples. Depending on the service, assistance may be provided through reimbursement rather than paid upfront.

Who We Can Serve

Families formed through adoption from foster care, with a permanent placement of a youth from foster care, or providing long-term kinship care, **living in any county in DFPS Region 5.**

Permanency is just the beginning, and we are excited to support families as they continue their journey together!

Post-Adoption Family Services Referral

Through funding awarded to our agency by Heart Galleries of Texas, we help connect families formed through adoption or kinship care from the foster care system to services within their community, and we are able to offer funding to help with these services. Our goal is to help families build strong connections, strengthen well-being, and stay stable and together. Services include family bonding and wellness activities, respite care, and help with basic and emergency needs. Once this form is submitted, our team will reach out to coordinate services.
